Rivertown Tavern is adding a 20% Operations Charge to your bill. This fee is spread among both front and back of house restaurant staff and enables them to make a stable living wage, impervious to seasonality or guest prejudice. We are required by law to collect sales tax on this fee. Should you wish to add an additional percentage you can do so on the gratuity line. Your participation creates fair wages for our incredible staff. Thank you in advance for your generous support!
